CULTURAL REENTRY & RETURN MIGRATION BIBLIOGRAPHY

©Anne-Laure Fréant, 2018
Master of Geography - University of Quebec in Montreal (Canada) & University of Montpellier 3 Paul Valéry (France)
Source of this document : http://retourenfrance.fr/reentrystudies
To add references or report a mistake, please email annelaure@retourenfrance.fr
Articles with multiple authors may appear more than once.
Focus is on psychological, sociological and anthropological aspects of reentry.
Return migrations are included, as we argue the qualitative experience of reentry and return migrations have more similarities than intercultural research usually states.
